

INNOVATIVE | ETHICAL | EFFICIENT

Our Supply Routes

MyPak supplies cartons to China, USA, New Zealand, Australia and Central Europe.

Our History

A 100% family owned Australian business, MyPak is the leading egg carton manufacturer throughout Asia, supplied from three factories in Guanjou, China. The business has a passion for excellence in manufacturing but sets itself apart through its innovative approach to carton design, structure and egg marketing.

Environmentally Responsible

China has a renewed focus on the environment, setting strict improvement targets by 2020. MyPak is leading the way with our “Green commitment”

1. All our raw inputs are 100% recycled paper.
2. MyPak is researching 100% renewable energy and Green Energy Projects.
3. Typically, MyPak cartons are lighter and stronger than the other egg cartons in the market place.
4. Packaging is efficiently transported by shipping containers, with no intermediary warehousing. Clients can 100% offset their carbon emissions by electing to “Ship Carbon Neutral” *
5. MyPak plans to minimize defective cartons wasted on egg producer's grading/packaging floor.
6. MyPak egg cartons are robustly designed to ensure there are low levels of eggs broken or wasted in the supply chain. They are also designed to protect eggs from impact on any side of over 25 kg.
7. MyPak egg cartons are recyclable and certified to higher standards than required by Australian or European Law (BRC/IoP and EC/1935 standards).

**est \$7.60 per 40 foot shipping container of 130,000 cartons.*

SETTING A NEW STANDARD IN EGG PACKAGING

Our Guarantee

Your packaging is
your most effective
marketing tool...

- **Innovative design**
Perfect symbiosis between
strength and carton design
- **Impact in-store**
Standing out from the competition
- **Productivity for packers**
Reduced downtime for
packaging machines and graders
- **Quality commitment
through the supply chain**
Every piece is delivered to your
door in good quality
- **Naturally responsible**
Moulded fibre, a 100%
renewable resource

THE WIDEST RANGE TO SUIT EVERY CUSTOMER

Case Study

the happy egg co. USA

The happy egg co was looking for a premium, high quality egg carton that set it above the other eggs on the shelf as well as being designed to meet the needs of the USA market.

The carton needed to be very strong in order to perform well on long delivery routes, and also in different temperatures/humidity. The happy egg co. also wanted to communicate to the consumer more clearly so inside labels offered an opportunity to show full color images and even feature detachable coupons.

- Premium, modern shape
- Outside label
- Inside label for consumer information
- High quality pulp with smooth finish
- Intense, consistent carton color
